Hilltoppers Win Rifles' Drill Meet

Defeat University Of Kentucky After Taking Third Regiment Meet

3,000 SEE CONTESTS

Western's Pershing Rifle Unit humbled the mighty Wildcats of the University of Kentucky before 3,000 spectators Friday, May 6 at the Western Stadium.

The University of Kentucky, winners of the inter-regimental competition for the past three years and considered the best drilled team in the entire South, fell before the determined Pershing of Major Herbert Schmid. Amassing a score of 840 points out of a possible 900 to win the third Regiment Championship, the snappy drill team of Western decided to pit his score against the University of Kentucky. The Wildcats fell short by 29 points, giving the Hilltoppers first place in the inter-regimental competition.

This marks the first championship for the Pershing Rifles of Western. Organized only last year, the Hilltoppers won first place in all events except the individual inter-regimental drill, which was won by G. R. Avery of the University of Illinois.

Howard Lindsey of Western won the individual Third Regiment competition by eliminating Avery of the University of Illinois, but was eliminated in the inter-regimental competition where he was placed against Avery of the University of Illinois and Kinnard and Bryant of the University of Kentucky.

In the Third Regiment competition, the University of Illinois compiled the second best score with 753 points, the University of Indiana was close on their heels with a total of 731, Michigan State College was able to accumulate only 615 points.

The outstanding feature of the drill meet was an exhibition by the Purdue Order of Zouaves, a unique drill team modeled on the style of the French Zouaves of Northern Africa. Using a fast cadence that exceeded 300 per minute, the Zouaves executed various regulation drill movements and several unorthodox ones in the colorful style of the French Zouaves.

Not to be outdone, the University of Kentucky's Confederate Squad, uniformed in authentic Confederate uniforms and drilling with the issue rifles of that period provided an unusual form of entertainment. All movements were executed as prescribed by Jefferson Davis' War Department. Each member of the squad was bedecked with sideburns and whiskers, adding a touch of originality to the drill. Western's exhibition platoon also contributed a fine display of fancy drilling and manual of arms, executed in regulation cadence and perfect coordination. The University of Illinois' exhibition consisted of a two-man drill team and a drum major with unusual ability in twirling the baton.

At the conclusion of the competition, the awards presented by Paul L. Garrett, Lieutenant-Colonel John A. Robinson of Western, and Lieutenant-Colonel B. E. Brewer of the University of Kentucky.

Judges of the events were 1st Lieutenant Gerald C. Simpson and 2nd Lieutenants Benjamin F. Taylor and John O. Frazier, all of the 11th Infantry, Fort Benjamin Harrison, Indiana.

The program was concluded Friday night with a dance given in honor of the visiting Pershing Rifle teams in the Western gym.

Turtle Zoop

Hardshell 'Shadow Derby' Rated Turf Classic Of Season

By Walter Wright

Everyone knows what a shadow hop is, but who ever heard of a "shadow derby"? It is safe to say that up to the present time no one ever did, but last night the "shadow derby" came into existence. It was inaugurated by the Ill-Turtle Club and held in the Pavilion last night, at 7:30 with twenty hardshells going to the post at the newly opened Chelonia Downs.

Although it was called a derby, there were no sleek hooves or pari-mutual booths. Instead the racers were turtles, and one dime provided grandstand seats for the entire show.

Discussing the brief history of the new "Sport of Goons," sponsors said that in the annals of sport history many types of races have appeared at various times. "Today," they said, "we have horse races, automobile races, dog races, and air races. In some parts of the world ant races, cockroach races, snake races and beetle races are prevalent, but it was left to the pioneering spirit of Western students to inaugurate turtle racing."

Turtle racing is the world's rarest form of racing. Although it, like all other forms of racing, depends on the speed of the turtles, the turtles are so slow and uncertain as to direction of (Continued on Page Two)

The annual mock trial of the Congress Debating Club which is to be presented in Van Meter auditorium at 8 p. m. Monday, May 16, is the divorce suit of J. C. Cantrell, who is charging his wife, Alberta Mitchell Cantrell, with a "subtle aversion" which has blighted his life.

FRIDAY, MAY 13, 1938

THOUGH NO STATEMENT HAS BEEN ISSUED for some time now on the progress that has been made in collecting pledges for supplementing the funds that will become available July 1 for resuming the work on the interior of the Kentucky

Building, the Herald assumes that the work is assured and that when the state fund is exhausted there will be sufficient funds from the pledges to complete the building anyway.

The Kentucky Building is more than a dream, more than a beautiful shrine, though it is all that. It can be a building of much practical value to the college, and if the intention, recently expressed, of making a part of it into a student center is carried out, that practical value will be more than doubled.

IN UTOPIA, OF COURSE, THERE IS NOT ONLY a law against soliciting "lifts" by hitch-hiking but also a law against asking for a "lift" - just you should be a pickpocket - and a law against asking for a drink of water - lest you be plotting to steal the well from which it comes.

THE CLINIC THAT IS BEING ATTEMPTED here this week is an attempt to do something that would perhaps be of value in a number of other fields besides that of social studies and Kentucky history.

A number of methods and a great deal of the routine of teaching have nothing to recommend them but the fact that they have been done that way for ages. Changes should not be made too hastily, but there should be a constant vigilance on the part of the teacher - such as this clinic represents.

Then when the need for the change is clear, the combined efforts of those who have made the study will insure a fair trial of any new methods that may be evolved.

The Western a cappella chorus, under the direction of Prof. John N. Vincent, presented a concert at Neeley Auditorium on the Vanderbilt University campus, Nashville, on Wednesday evening, May 4.

On April 19 a Vanderbilt a cappella chorus appeared in concert at Van Meter Hall, and the return program by the Western group was part of an exchange agreement with Vanderbilt.

Included on the program given by Western were five groups of songs rendered by the choral group and two violin solos, "Waltz by Brahms" - Hockstein, and "Ghost Dance" by Levy, presented by Frank Yarbrough.

The chorus sang: "A Stronghold Sure Our God is He" by Lutherbach; "O How Fleeting, How Deceiving," Bach; "Improperia," Palestrina; "Sacerdotes Domini," William Byrd; "Cantata Domini," Hans Leo Hassler; "Lasciate mi Morire," Monteverdi; "Shoot, False Love, I Care Not," Thomas Morley; "Strike It Up, Tabor," Thomas Weelkes; three traditional numbers, "Swing Low, Sweet Chariot," "Go Down, Moses," and "Prayer of Thanksgiving," "Three Grecian Songs," Mr. Vincent's own composition. Turtle Race Called Classic

(Continued from Page One)

course that the suspense of the owners and spectators is kept at high tension for a longer time. Jockies are a handicap in a turtle race because of the fact that the more a turtle is graded, the more stubborn he becomes, and if the prodder becomes too insistent the turtle employs his defense mechanism of folding up in his shell. But unlike most sports the uncertainty and stubbornness of the animal makes the race even more interesting.

Many students who experienced the creeping classic of last evening have hailed it as a noteworthy event and it, as the ROTC football game has become the shadow of the gridiron season, will become the shadow of the Kentucky racing season. Turtle racing at least has a great number of potentialities. Competent politicians and financiers think that turtle racing, if managed right, might be used as a means of raising funds, supporting relief projects, or even playing off the national debt. In addition to finance, racing turtles that have been kept in form and cared for are better fitted for biological experimentation. Then if no other commendable feature can be attributed to turtle racing its crowning virtue is better turtles for the advancement of science.

P. S. No hares were entered in the race last night.

Tennistors To Meet Centre Here Today

Coach Ed Stansbury's tennis team, which has not been defeated this season, will be after their third victory in as many starts this afternoon when they meet the Centre College racquetters on the local courts.

Centre was the only team to defeat the Hilltoppers last season and the Western boys will be after a victory to even the count.

No. 1 spot will be taken care of by Captain Ralph Dudgeon, who has lost one match in the last two years. He will be followed by Paul Smith, Alvin Trigg, Norman Kahn, and Basil Powell. The double team will probably be composed of William Winkenhof and Morton Napier, a newcomer who is showing great form, and Powell and Bob Pay.

Mr. and Mrs. G. O. Pirral of Providence, R. I., are visiting Miss Helen C. Gwinn for a few days.

SPORTS SHORTS

By Robert L. Pay, Herald Sports Editor.

Through the kind cooperation of our benevolent football mentor, W. L. "Gander" Terry, who burned considerable quantities of the proverbial "midnight oil" to secure them, we are able to publish below what we think to be the authentic Kentucky State Intercollegiate track records. The lack of this information has been one of the eyesores of the sports horizon for the past few years, and it is with a great deal of pleasure to us and a great deal of gratitude to Coach Terry, that this release is made:

Shot Put, Amlecar, Centre, 1932 43' 7"
Discus Throw, Amlecar, Centre, 1931 131' 3"
Mile Run, Dodson, Berea, 1931 4' 29.8"
2 Mile Run, Dodson, Berea, 1931 10' 3"
High Jump, Brady, U. of L., 1929 6' 4 1/2"
Broad Jump, Hasara, Centre, 1932 22' 11 1/2"
Pole Vault, Edmunds, Transylvania, 1929 13' 3-8"
110 Yard Run, Elson, Georgetown, 1929 30.8"
880 Yard Run, Hawkins, Georgetown, 1929 1' 59 1/2"
Javelin Throw, Roberts, Berea, 1937 178' 6 1/2"
230 Yard Dash, Adams, Georgetown, 1929 22.1"
230 Yard Low, 24.2"
Hurdles, Burton, U. of L., 1933 24.2"
130 Yard High, Shields, Georgetown, 1934 and Hurdles, Gaines, Centre, 1936 13.6"

The Half Mile relay record is held jointly by Georgetown and Centre Colleges. The record, 1 minute, 32 and 1/5 seconds was established first by Georgetown in 1929 and that mark was equalled by the four-man Centre team in 1936.

The Mile relay mark was established by the Georgetown outfit in 1929. The time 3 min. 31 sec.

The 100 yard dash time of 19 seconds is shared by five individuals, three of whom are from Centre College. This time seems to be just about as fast as

is possible with Kentucky runners, but even at that it's pretty fast. Consider the world record of 9.4 seconds. The world record in the mile, if any of our aspiring young milers should desire to attempt to better it, is 4 min. 6.7 seconds, set not so long ago by Glenn Cunningham.

A glance at the records above would seem to leave the impressions with the reader that it has been a long time since a majority of those records have been bettered. In fact most of the marks seem to have been set in 1929. Perhaps the boom, inflation, and what-have-you of that period, enabled the lads to run faster, jump higher, and last longer. It is a singular comparison one can make with the records and the state basketball records, however. If the reader will but glance above he will note that not a single record is held by a Western athlete. For that matter Murray, Wesleyan, and Eastern achievements are also conspicuous by their absence. WHY????

If the Western tennis squad loses a single match during the remainder of the year, it will not be the fault of Coach Ed Stansbury, the athletic department here, or of a certain young lady who is the owner of a "Davis Cup" model racquet. Wednesday afternoon, the local tennis squad appeared on the courts for workouts arrayed in the finery of completely new uniforms, furnished by the school for the first time in the history of the sport. The outfits consist of athletic shirts with the school emblem across the front, grey shorts bordered in red, and white sweat-jackets with the W. K. T. C. emblem on the back.

The new tennis racket owned by a certain feminine tennis enthusiast whose name was withheld, will be Captain Dudgeon's weapon in the forthcoming matches this season. Dudgeon has become famous here for his dilapidated rackets and the effect of a new war club on his game will be watched with interest by the local fans.

Johnny Hugh Crowds reports that his Crowds Hot Shots won the intramural basketball competition and has cautioned the writer to watch closely the endeavors of his softball team which is at present, according to Crowds, burning up the softball league. Congratulations on your team's victory Johnny. No one can say you didn't warm 'em.

Because of the postponement of last Saturday's tennis encounter with the Eastern Maroons here as a result of unexpected inclement weather, the Hilltoppers tennis squad will perform in a double-header against the Maroons at Richmond May 21. A match in the morning there will be followed by another encounter in the afternoon in order that Western's two matches with the Maroons might be played. A match with Berea on Thursday, one with Centre on Friday, and the two tilts on Saturday will give the "Toppers" about all they will need in the way of tennis. Four matches in three days is enough for any man's team.

Last Sunday in Herb Wallace's "Sports Splashes" there appeared an item on "all-around athletes

TRACKMEN DROP MEET WITH TPI

Toppers Are Weak In Running Events

By "Sealion" Goranilo

Dominating the field events with one exception but failing in the running events, Western lost Saturday night, May 7, to the TPI track men at Cookeville.

A first place in the mile relay, the last event to be run, gave TPI a 57 to 53 margin for the meet. Western won five first places and TPI took nine. Thompson of TPI was high point man with first in the 100, the 220 yard dashes, and the broad jump. Caple and Panepinto both hung up fair marks in the shot put and discus. Saddler and McCrocklin were not pushed in the high jump, therefore the mark was not very good.

It seems as if Western might do well in the field events but unless the running improves, little can be expected of Western in the state meet.

The next meet will be held Saturday, May 14, at Murray. Results of the various events were as follows:

Mile Run—Boyd, TPI, Arterburn, Western; Time, 5.66.
100 Yard Dash—Thompson, TPI, Wyatt, TPI, Time, 10.6.
Pole Vault—Saddler, Western, Ellis, TPI; Height, 9' 9".

120 High Hurdle—Oliver, Western, Dooler, TPI; Time, 17.7.
440 Yard Run—Darden, TPI, Organ, TPI; Time, 55.6.

Broad Jump—Thompson, TPI, Oliver, Western; Distance, 21' 2".
Javelin Throw—Walker, TPI, Hoskinson, Western; Distance, 147' 4".

High Jump—McCrocklin, Western, Saddler, Western; Height, 5' 5".
Low Hurdles—Stone, TPI, Oliver, Western; Time, 28.9.

880 Yard Dash—Darden, TPI, Clark, Western; Time, 2:25.8.
Shot Put—Panepinto, Western, Caple, Western; Distance, 41' 10.5".

Discus Throw—Caple, Western, Panepinto, Western; Distance, 111' 11".
220 Yard Dash—Thompson, TPI, Gill, Western; Time, 23.9.

Mile Relay—Won by TPI, Time, 3:51.

Crowds Hotshots Win Halo In Final Intramural Round

The intramural basketball tournament at Western closed recently with the Crowds Hot Shots claiming the championship by virtue of a 22-18 victory over the Purchase team.

The game was a hard-fought battle throughout, with the Crowds crew finally reigning supreme. "This game also marked the close of an intramural tournament in which nineteen teams participated.

Intramural Manager J. C. Batsel stated that a total of ten teams have already entered the softball tournament, which is the next event on Western's intramural program.

Teams that have entered are: Band, Monroe County, Bowling Green Sluggers, Burks Reaney, Moore House, Millers, Rock House, Runner House, Sinclair, and the Village.

Two leagues are to be formed with each team playing the other once. At the end of this series of games the two teams with the best records will play a two-out-of-three games series for the championship. The tournament play is expected to be completed next week.

at Western." The article stated in part that Henry Cooper had received a letter in football here last year only because he was a senior. No doubt this error was the result of a linotype operator's mistake. It probably was meant to read that he received a letter in basketball only because he was a senior. Not even by a lengthy stretch of the imagination, could anyone visualize Cooper's "just getting a letter in football" because he was a senior.

His work on the football squad this past year was invaluable, and if ever a man earned a letter in football, Cooper did in last year's campaign.

Mitchell Leads Scoring In 10-8 Win

Scoring five times in the last two innings, Coach Diddle's Hilltoppers won their third game of the season over Austin Peay Normal by the score of 10 to 8 in a tilt played Tuesday afternoon at Clarksville, Tenn.

Led by Albert Mitchell, who collected 4 hits in 5 attempts, the Hilltoppers gathered a total of 15 hits off three Normal pitchers while Clay Marcum and Jim Glover gave but nine hits to the Normal boys.

Mitchell's four hits accounted for 7 of the Hilltoppers' runs. He scored 3 times and drove in 4 more markers. In the fifth inning he tripled with the bases loaded to tie the score.

Western scored in the first inning when George Ribich stole home, but they soon lost the lead when Austin-Peay scored four runs in the fourth on a base on balls, a stolen base, a hit, and four "Topper errors."

The Normal boys held the lead until the eighth when Mitchell's double was followed by Byrd's triple and Glover's home run.

Austin-Peay tied the score again in their half of the inning on a single, a stolen base, an

error, and a wild pitch. Spatz was hit by a pitched ball in the ninth, and stole second. He scored on Mitchell's double and Mitchell scored the last run when John Ramsey tripled to deep left.

Anna Stum and Marie Dawson spent the week-end of April 30 at Miss Stum's home in Madisonville, Kentucky.

Paul Smith, Louisville, playing No. 2 position, downed Wear of Murray in straight sets, 6-3 and 6-4. Trigg and Kahn of Western also won their matches in straight sets.

The team of Noel and Wear defeated Smith and Winkenhof, 2-6, 6-3, 6-0 in the No. 1 doubles, and Pay and Powell dropped a 6-2, 5-7, 6-2 decision to Lassiter and Booker of Murray, in the other double match.

Two vocal solos, "Giannina Mia" by Friml and "Sing Me to Sleep" by Greene were rendered by Olive Seaton who was accompanied by Walter Pearce at the piano and Norma Lagura on the violin.

DIAMONDMEN

BOW TO PROS

Defeated 3-0 By Kitty Leaguers

Western's nine dropped their fourth game of the season to Hopkinsville, a professional team of the Kitty League, by a score of 3 to 0 on May 6.

Although the "Toppers" settled down after the first inning, when they gave Hopkinsville two runs on two hits and three errors, and played good baseball the remainder of the game, their inability to hit with men on bases caused their downfall.

Both Herb Ball and Jim Glover, who twirled for Western, pitched good enough ball to win; but the errors were stacked against them. Twice the "Toppers" loaded the bases with one out, but both times lightning-fast double plays by the professionals cut off their chances to score.

7 More Games On Card

The Western team has the following games remaining on its 1938 schedule:

Today—Vanderbilt, here.

May 11—Vanderbilt, here.

May 20—University of Louisville, here.

May 21—Eastern (double-header), here.

May 24—Austin-Peay, here.

May 27—Tennessee Poly Tech, here.
